### Tasting Note

This number is not what he seems. A bit of a trickster really. Smooth. Firm. Dark. Light. Bitter. Sweet. Coffee. Intricate. Chocolate. Subterfuge. You've been warned.

### Food Match

Cold cuts, BBQ Blackened lamb, Confit of Duck.

### Word from the brewer

None of the dryness associated with those other black beers Stouts and Porters. Dehusked malt delivers tons of flavour whilst remaining light on the palate. A real hit with ladies.
