

Mahi

Mahi, meaning 'our work, our craft', began in 2001, fulfilling a dream of ours. After 15 vintages it was time to do our own thing. With a strong focus on single-vineyard wines, and now backed up by a series of premium regional wines from Marlborough, the idea behind Mahi is to respect and promote the individuality of the various vineyards.

The Mahi symbol represents the strength, life and growth of the native New Zealand frond (fern), with the understanding that wine should never be rushed to bottle, respecting its ability to evolve naturally over time.

2013 Mahi Alchemy Chardonnay

Elegant and structured, showing green melon and citrus peel aromas with floral notes also. Creamy and textural with nice weight and a long finish.

Variety:	Chardonnay
Region:	Marlborough
Winegrowers:	Paul, Robbie and Barbara Taylor, and the team at the winery.
Alcohol:	14.2%
Titrateable Acidity:	6.5
Brix at Harvest:	22.8 – 23.1
Harvest:	Handpicked on the 28 th and 30 th March 2013

Winemaking details

The aim for this Chardonnay is to work with some outstanding fruit to make a wine that is complex, textural and shows the vineyard in as natural a way as possible.

This fruit comes from a small organically grown and certified parcel from the Tobemore vineyard, located in the Rapaura region of Marlborough.

The area was once old riverbed and as such the soils have a lot of river stones, combined with silt and clay components also. Typically it is a slightly warmer area of the valley and as such we find the fruit ripens relatively early. The vineyard is made up of three different clones; MVIG1, 15 and 95, all adding to the complexity of the wine. The vines were cropped low to ensure ripeness and palate richness.

In the winery the grapes were whole-cluster pressed and the high-solids juice taken straight to French barriques (22% new) for fermentation with indigenous yeast. After 16 months in oak we felt the balance was correct and took the wine from barrel. It was then aged a further six months in bottle before release.

Vintage

The 2013 vintage for us was a relatively short affair in comparison to the previous five vintages at Mahi.

The warm, dry and clear summer we experienced continued over harvest however interestingly temperatures were not higher than average. Because of the clear skies the diurnal differentiation (difference between night and day temperatures) was greater than normal serving to retain both flavour and acidity in the grapes and the clear days meant there was very little Botrytis pressure so the fruit that came into the winery was very clean.

PO Box 33, Terrace Rd, Renwick, Marlborough, New Zealand.
