

## Monsoon Sparkling Ginger Beer - Lemongrass

---

### Tasting Notes:

- Small long lasting bubbles and bead. Not too gassy
- Lemongrass and lemon juice adds acidity good aroma
- The fresh ginger juice gives a lively fresh finish and slight heat
- The Coconut sugar adds deeper note than cane sugar
- 30% less sugar than other major brands makes for a less oily finish and more dry
- Cloudy colour is because of natural ferment and just has more actual ginger

### Spirit Match

Great match with Gin or Vodka.

### Food Match

Works well with fresh seafood, produce and spicy food such as Thai flavours.

The lemongrass is sourced from farmers in the Tân Giang Province's Tân Phú Đông District in Vietnam.  
Available exclusively through Red+White Cellars - 24 units per case.
