

Monsoon Sparkling Ginger Beer - Original

Tasting Notes:

- Monsoon Sparkling Ginger Beer – Original has light bead very close to Mums home made ginger beer brews
- The fresh Vietnamese ginger juice gives a lively fresh finish and slight heat
- The Coconut sugar adds deeper note than cane sugar
- 30% less sugar than other major brands makes for a less oily finish and more of a dry style
- Cloudy colour is because of natural ferment and just more actual ginger

Spirit Match

Fantastic match with Rum as in the Dark & Stormy or Vodka Mule.

Food Match

Goes well with most food dishes but exceptionally good with pork and poultry.

The ginger root is sourced from farmers in Vietnam and is a staple ingredient in many Vietnamese dishes
