

# LAKE HAYES

## WINES

### **PINOT GRIS 2019**

Lake Hayes wines reflect the land they're grown on, with a style of winemaking that allows the fruit to express itself from vintage to vintage.

### **STYLE**

Displaying purity early in its life, this wine is an instantly enticing Pinot Gris.

### **GROWING SEASON**

The growing season was back to 'normal' after 2018's unprecedented heat. Numerous cold snaps during harvest meant there was a need for helicopters to frost fight at day break.

### **WINEMAKING**

The grapes were hand harvested and whole bunch pressed and the juice transferred straight to tank. Fermentation was cool, using a selected yeast that specifically expresses vibrant varietal characteristics. The wine was then matured on light fluffy lees until bottling.

### **MATURATION**

Crafted in an early drinking style with a fresh, fruity appeal; young and lively, yet balanced and sophisticated.

### **TASTING NOTES**

The aromatics are white peach and nectarine. The palate is soft but generous with ample fruit flavour. This wine will be perfect for mid-summer enjoyment.
