### TOLPUDDLE VINEYARD

#### COAL RIVER VALLEY

Located about a 20 minute drive from Hobart, in Tasmania's south-east, the Coal River Valley has established a reputation for growing exceptional quality grapes. With a climate that is at the cool extremes for viticulture, it is no surprise that Chardonnay and Pinot Noir perform so splendidly.

An anomaly for such a cool climate is that the rainfall is significantly lower than many of Australia's other cool climate regions, with an average of approximately 500mm of rain per year. This cool but relatively dry climate allows the grapes to ripen slowly in autumn, without the disease pressure that rain can bring, resulting in grapes of great aromatic intensity.

#### TOLPUDDLE VINEYARD

Tolpuddle Vineyard is an outstanding site within the Coal River Valley region. Planted in 1988 solely to Chardonnay and Pinot Noir, the vineyard takes its name from the Tolpuddle Martyrs, whose "reward" for starting England's first agrarian union was to be transported to Tasmania as convicts.

The vineyard is on a gentle slope, north-east facing. The soil is light silica sands over sandstone, and of moderate vigour, ensuring well-balanced vines.

Since acquiring the vineyard in 2011, Martin Shaw and Michael Hill Smith have invested heavily in improving all aspects of the vineyard, including soil improvement, conversion to cane pruning, trellis modifications, frost protection and clonal improvements. They are fully committed to seeing it recognised as one of Australia's great single vineyard sites.

### CHARDONNAY

#### 2019 VINTAGE

Mild conditions in spring and a dry September encouraged moderate shoot development through the early part of the growing season. Temperatures remained mild during the latter period of ripening, with very few extremes of heat or cold, resulting in fruit that ripened slowly with great concentration, power and natural acidity.

#### 2019 TOLPUDDLE VINEYARD CHARDONNAY

This wine is true to the Tolpuddle Vineyard Chardonnay style: fine and precise with firm acidity, and a combination of lightness of texture and intensity of flavour. The 2019 vintage has succulence and power, with great purity, aromas of white flowers, and flavours of mandarin and white peach, with a dash of sea-spray.

The grapes were all hand picked, whole bunch pressed, and fermented in French oak. The wine spent nine months in barrel with gentle stirring as required, then rested in tank on lees.

Ideal serving temperature: 12-15°C

Will repay careful cellaring for up to 12 years.

Food match: Pan fried scallops
