Brief Description

Delicate raspberry pink, the 2021 Lilly offers aromas of jasmine blossom and strawberry sherbet. Wonderful flavours of spring delight the palate with strawberry, watermelon, and hints of cream. A drier style, this Rosé will pair well with antipasti, salmon, and smoked meats, however it is perfect enjoyed as a refreshing treat in the afternoon with your favourite people. Crafted with Carmenere, the TW Lilly is a deliciously different rosé that is certain to charm.

Tasting Note

The most delicate raspberry pink, this 2021 Lilly is brimming with aromas of jasmine blossom and strawberry sherbet. Tantalising flavours of spring delight the palate with sun ripened strawberry, deep pink watermelon, and hints of fresh cream. A drier style, this Rosé will pair seamlessly with antipasti, salmon, and smoked meats, however it is perfect enjoyed as a refreshing treat in the afternoon with your favourite people. Crafted with Carmenere, the TW Lilly is a deliciously different rosé that is certain to charm.

Winemakers Notes

Harvested at peak flavour ripeness, the Carmenere for the Lilly is quickly crushed and destemmed before being transferred to the press to separate the juice from the skin. Minimising juice and skin contact ensures the delicate hue and light tannin extraction while retaining delicate aroma and flavour. The fermentation is undertaken using aroma enhancing yeast and carefully controlled with refrigeration. Once dry, Lilly is perfected using fresh skim milk.
