
DELIVERANCE PINOT NOIR 2020

TBA

Light cherry red in colour with a full and expressive nose of baking spices, cloves and cinnamon, supported by red plum and berries. The palate is ripe and long with red fruits and beautiful fine grained tannins.

VITICULTURIST'S NOTES

North Canterbury grows some of New Zealand's most coveted wine grapes. We sourced the Pinot Noir grapes from a neighbouring vineyard in Waipara with clay gravel soils and twenty year old vines. These were predominantly from Dijon clones, vines are spur-pruned and carefully managed to allow dappled light into the fruit zone. Perfect fruit came in 2020 with rich ripe tannins and bright fresh acidity.

Harvest Date: 3 March 2020

Brix: 23.4

pH: 3.43

TA: 6.7 g/L

WINEMAKER'S NOTES

The Deliverance Pinot Noir was wild fermented in small lots and manually plunged for natural colour and tannin extraction. The young wine macerated on skins for four weeks before pressing to tank and old French barriques for natural malolactic fermentation and maturing for 6 months before blending and bottling onsite.

Alcohol: 14% | TA: 6.09g/L | pH: 3.73
